de Musique et de Danse Paris

## International Exchange Platform

The College actively promotes international exchanges and cooperation by establishing partnerships with art institutions and organizations around the world to provide students with a broad international perspective and Cross-cultural exchange.

## Career development support

The Academy is committed to providing students with a full range of career development support, including internships, career guidance and industry contacts, to help students successfully enter the arts industry and realize their career dreams.

## International cooperation

The Academy maintains partnerships with many world-class international partner institutions. For outstanding students, the academy will push them to continue their studies in suitable international schools to expand their international vision and academic exchange opportunities.

## GuoGan World Arts Academy GuoGan National Academy

The Guogan World Arts Academy has also established under the Comte Paris Art–Music–Dance Academy, with the aim of working to preserve and pass on traditional music and arts from around the world. The Academy specializes in traditional music and art from around the globe, including Chinese folk music and Chinese painting. As the first academy to bring traditional music and arts from China, and around the world, to the international stage, we are committed to publicizing and promoting traditional music and arts globally and playing a crucial role in their preservation and transmission.
